MCCL League Dinner 2021

The MCCL Executive took the decision earlier this year that there would be no annual awards dinner in 2021.

Whilst we were aware that public health matters were improving, there was still sufficient uncertainty that it was felt that going ahead with a dinner could have left the MCCL with an unwanted financial issue and so it was decided that this would not take place in 2021.

However, we have again purchased league title trophies, individual player awards and other team awards to recognise achievement and success in 2021. Further information regarding who has won these awards and how they can be collected / or arrangements made for them to be delivered will be announced in the next couple of weeks.
