

2024 League Dinner & Prize Giving Presentations

On Friday 15th November

At Brentford FC's Gtech Community Stadium, Hospitality Room

Brentford FC is an excellent venue, well accustomed to hospitality and we will have a great evening there.

The venue can accommodate 300 people (organised in tables of 10) which should be sufficient, but if demand exceeds supply we will have to manage the numbers down.

There will be a welcome drink, a three course meal (meat option as well as vegetarian / halal / vegan) and half a bottle of wine per person, An alternative non-alcoholic option will be available. Of course as well as a “cash” bar throughout the evening.

Each club can order 2 tickets per team at the reduced price of £60, additional tickets are priced at £70.

We need to have a “ticket request” from clubs by 30th September, we will then review the total ask and revert with the allocation by the 4th October, each club will have 1 week to pay or we will offer the tickets out to clubs who forgot to ask first time around or their allocation was under their request.

Organising an awards dinner, buying trophies etc is pretty much singularly for the benefit of the clubs, the organisers (the MCCL Exec) get little to nothing out of it, so please help us to help you all celebrate the 2024 by being organised and sticking to the deadlines.

Please respond to myself and Fazly with your request, please state your club on the request.

So action required on behalf of your club by Monday 30th September.
